Create Non-Factory Workplace /Duplicate Workplace

Create Non-Notifiable Workplace

Our system shows that the workplace location already has existing workplace record(s) as listed below. Please use an existing workplace number for the premises instead of creating a duplicate workplace record. If you wish to amend the details you have keyed in earlier, please click on the "Back" button. If there are still reasons for you to create an additional record, please click on the "Proceed" button.

Success

The non-factory workplace has been successfully submitted.

- Please note that you have created a non-factory workplace record for the premises below. This record is not a factory notification or factory registration for the mentioned premises. It does not exempt you from the requirement to notify or register the premises as a factory with MOM where required under the Workplace Safety and Health (Registration of Factories) Regulations.
- You may note down and use the following workplace number for references to the non-factory premises with MOM.

UEN : 01236600E
Occupier Name : ABC NAM MAY PHOTO CO
Workplace No : 01236600E0001
Workplace Address :

Step 14 [END]

- Please note the workplace number created, the format of the workplace number is your entity UEN followed by 4 digits.
- Please print the acknowledgement page for your future reference. You will not be able to retrieve the acknowledge page after closing this transaction window.
